

~~18. (Amended) The stroller of [in] claim 16, wherein said spring-loaded rod tends to force said rotating piece to either of the constrained rotational limits.~~

REMARKS

By this Preliminary Amendment, claims 1-18 have been amended. More specifically, each claim has been amended to better conform with standard claim format. Thus, no new matter has been added by any of these amendments.

Please note that a Petition for Correction of Inventorship Pursuant to 37 CFR 1.48(a) is being filed separately.

Early and favorable action on the merits is respectfully requested. Should any matters remain in this application which might be resolved by interview, the Examiner is requested to telephone the undersigned at (570) 668-4774.

Respectfully submitted,
